# **ESCAPED CONVICT SHOT**

The three men escaped from the road camp Friday afternoon after overpowering the guard. The men were being brought into camp during a shower of rain, and just before reaching the camp, the trio attacked the guard from behind, and succeeded in relieving him of his pistel and shotous. They immediately ran into nearby woods and made good their escape, although search was instituted for them at once.

News Notes of Interest.

Bishop O'Connell yesterday afternoon confirmed a class of forty candidates at the New Bolemin Catholic Church in Prince George County.

The sales of bright tobacco were larger this week than last week, and the prices higher Buyers are anxious for all grades, and readily take all that are offered.

SISPICIOUS ACTIONS
REPORTED TO POLICE
Their arrest yesterday afterneon was brought about the pair of the police authorities of the city. Chesterfield and Henrice Counties. Shertly after 3 o'clock, J. L. Payne, who resides on the county road about three miles from the city, telephoned the Third Police Station that three suspicious men were ransacking.

HIS TROUSERS STOLEN three suspicious men were ransacking a house on his place, and that he thought they were the escaped convicts. Mr. Payne inquired whether or not the city police had jurisdiction in the neighborhood of his home. He was advised to call County Officer Traylor.

Wright, of the Third District, was in After the third made his getaway the station house at the time the call Thomas secured two bloodhounds, but

of the tracks. Lawson was a Winchester shotgun, which Coit revolver, with an unusually long barrel, was found on one of them, Just before being taken into custody the men had gone through a house on the farm of Mr. Payne, evidently in search of clothing for a change of attire, that their identity might not be so readily detected. They had walked along the country road, but being heavily armed, they apparently did not fear arrest. 

To Seek Funds for Sanatorium. campaign to raise \$5,000 among the citizens of Danville with which to here to-morrow with special sermons from the city pulpits. On Monday a number of committees, each one apnumber of committees, each one ap-sertioned a certain section of the city, will begin canvassing. Persons apwill begin canvassing. Persons approached will be asked to give what they can, the amounts to be paid on the installment plan.

# Laugh at Corns

You can laugh at corns-no matter what your footwear-when you once know Blue-jay.

Let corns come. They can't pain Blue-jay users. And in two days they disappear.

This is to folks who pare corns. Or use some oldstyle "cure." Or who simply suffer.

A scientist has solved the whole corn problem. His invention is complete in every Blue-jay plaster.

Apply Blue-jay, and the pain stops instantly. It does not return. Remove the Blue-jay in two days, and find that the corn is ended.

Don't doubt this. Go and prove it. Nearly two million corns a month are now ended this way. Countless Blue-jay users all around you never suffer corns. It will mean life-long freedom to you when you

know what Blue-jay does. Find it out tonight.
